3. To interact with the subject expert from College and IT industry.
4. To expose the creativity and sporty nature.

Grab the Opportunity (UG & PG)

Student Quiz Competition (UG & PG)

Report : The Department of Computer Science, organizes intercollegiate competitions for undergraduate and post graduate students as INTERACTION every year. Every year this event is graced by the renowned personalities from the IT sectors through which students acquire the trending knowledge of most recent technologies of IT. This was our 19th year in succession.

Every year we conduct this event physically on our college premises. From last year due to pandemic we are conducting the event online removing the barriers of the University, States, and Country. There were 6 events in the "INTERACTION 2022" category under UG and PG sections (total 12 events). 3 winners from each event and get a cash prize (online transfer) and every participant will get a certificate. From Last year we are organizing an event for teaching staff also.

The competitions conducted under this event are as follows :

- 1) Student Quiz Competition(UG & PG, Computer Science and Computer Application)
- 2) Teachers Quiz
- 3) Grab The Opportunity(UG & PG any Stream)
- 3) Project Competition(UG & PG, Computer Science and Computer Application)
- 4) E-Poster Competition(UG & PG any Stream)
- 5) Video Contest(UG & PG any Stream)

Every year we receive huge response from the students for this activity. This year also we received 1230 participants from 48 cities of 11 states and of 4 countries, Which transforms INTERACTION into International Intercollegiate Online Competitions. Registrations are from various streams like BA, B.Com. BSc., BCA, BBACA, B.Sc. CS, BSc Statistics, BSc Mathematics, BSc Chemistry, Interior Design, M.A, M.Com., MBA, MSc IT,CS,CA, MSc Chemistry, MCA, Microbiology etc.
