Dear Dr Vinay

Greetings of the day

This is regarding your revised proposal submitted to the Department under RRSFP-BUILDER (Level I), you are hereby informed that it was presented in the Task Force Meeting held on 23rd-24th March 2021 and following recommendations were made:

“ Task Force noted that they needed to focus more on the increase in the number of students in the MS.c and Ph.D programme. They should also incorporate interdisciplinary activities in this programme. The participating faculty was well qualified and had a good publication track record in peer reviewed journals. The College had been given a Star Status grant and should submit the list of equipments procured under the said grant and is expected to ensure no duplicity is practiced while proposing equipments unless otherwise justified in respect of usage by the students and researchers.

Decision: In view of the above, the Task Force recommended the proposal for financial support with Rs 1.30 crores under Non-recurring and Rs. 1.20 crores under Recurring heads”

You are requested to take a note of the above recommendations and send us the requested documents (list attached) by 30th May 2021 for further processing of the case. The checklist and the documents requested should be clearly marked and a scanned copy sent via **email followed by a hard copy by post**. We understand that postal services are limited due to prevailing situation and thus it is important that all the documents are submitted via email well in advance. **Also, please refrain from sending documents in part emails as the entire lot is required for financial approval. If you send documents in parts, it would not be feasible for us to process your file.**

We compliment you and your team for becoming a part of this prestigious programme and look forward to a fruitful journey in fulfilling the desired purposes of this grant.

Yours sincerely,
