

Feedback Report (2018-19)

We have developed in house ONLINE feedback system so that students should not feel under pressure while filling feedback forms. Feedback on overall college activities as well as teaching and learning process is taken from the students. Analysed feedback report of each teacher is mailed to them for further improvement.

Report is prepared based on the feedback collected from the students of Arts, Science and Commerce faculty. It is organised according to the suggestions given by the students related to the syllabus, administration of the college, activities taken and facilities available for them in the college premises and compliance.
