**Campus Placement Drive 2023-24**  
**Report**

The Department of Chemistry at our institution organized a campus placement drive for Evolvus Inc Pvt. Ltd. on May 17, 2024. This event provided a valuable opportunity for students to secure placements with a leading company in the field. The drive was marked by a series of well-coordinated activities that aimed to facilitate a seamless interaction between the students and the company representatives.

The event commenced with a warm welcome address by Dr. Dipratin Khandare, and the Head of the Department (HoD) of Chemistry, Dr. Madhuri Kulkarni felicitated the Evolvus team for considering our institution for their recruitment needs.

Following the welcome address, the Evolvus Inc Pvt. Ltd. team took the stage to introduce the company to the students. The team comprised Mrs. Snehal Shinde, the HR Manager and Mrs. Archana Ghante, began with an overview of Evolvus Inc., detailing its history, mission, and core values. They emphasized the company's focus on innovation, research, and development in the chemical industry. The session concluded with a Q&A segment, where students had the chance to inquire about specific aspects.

A total of 27 students attended the drive, demonstrating their enthusiasm and readiness to embark on their professional journeys. The initial stage of the selection process involved an aptitude test designed to assess the subject background of the students. The test was comprehensive, covering various aspects relevant to the roles offered by Evolvus Inc Pvt. Ltd.
