Campus Placement Drive 2023-24  
Report**

The Department of Chemistry organized a successful placement drive for KnowChem Laboratories Pvt Ltd, Pune, specifically targeting students from the M.Sc. Organic Chemistry program. The event took place on 21<sup>st</sup> May 2024 and saw enthusiastic participation from the students.

A total of 27 students from the M.Sc. Organic Chemistry program registered for the placement drive. These students have demonstrated exceptional academic performance and a keen interest in pursuing careers in the field of organic chemistry. The event commenced with a warm welcome address by Dr. Dipratn Khandare, and the Head of the Department (HoD) of Chemistry, Dr. Madhuri Kulkarni felicitated the KnowChem Laboratories team for considering our institution for their recruitment needs.

Representatives from KnowChem Laboratories conducted an informative session to introduce the company, its mission, core values, and the roles being offered. They also provided insights into the career growth opportunities within the organization.

The initial round consisted of a written test designed to evaluate the technical knowledge and problem-solving abilities of the candidates. Candidates who performed well in written test proceeded to the technical interview round. Experts from KnowChem Laboratories engaged the students in detailed discussions about their research projects, technical skills, and their understanding of advanced concepts in organic chemistry.
