Report – An exhibition cum workshop was conducted in Zoology Department of Modern college of Arts, Science, Commerce Ganeshkhind Pune For Science adda Under DBT STAR Scheme for School Children. UG as well as PG Students participated in this programme as Volunteers. Museum Specimens, Laboratory equipments, Entomology display specimens and some experiments were displayed to fascinate students about Zoology. Our student volunteers exchanged their views and information to students and solved all their queries with enthusiasm. School students found the set up of exhibition really interesting and were curious to know all about it. Students were inquisitive about Working of laboratory instruments which led to lots of amazing questions answered skillfully by volunteers. Science teachers of schools were amused by QR codes on displayed Specimens. This exhibition proved to be a great practice for Students as well as Faculty members.

Outcomes :

1. Scientific Attitude was inculcated in students
2. Students got an idea about research and biodiversity
